

James W. Case, PE

Senior Principal

Education: **University of Colorado** Architectural Engineering, BAE 1978
Cornell University Structural Engineering, MSE 1980

Background: Over 25 years of experience in a wide variety of building types and technologies, with a focus on effective integration of structure and architecture. Mr. Case was the principal-in-charge for the following similar projects:

Responsibility: Principal-In-Charge

Selected Project Experience:	Trinidad and Tobago Waterfront Project	1,600,000 SF
	Trinidad and Tobago, WI	26 Story
	Park Avenue Condominiums	750,000 SF
	Atlanta, GA	45 Story
	Proscenium Office Building	650,000 SF
	Atlanta, GA	25 Story
	Intercontinental Hotel Buckhead	550,000 SF
	Atlanta, GA	22 Story
	The Edge Condominium	536,000 SF
	St. Petersburg, FL	31 Story
	Siemens Quadrangle Office Buildings	460,000 SF
	Orlando, FL	4 Story
	Deerfield Retirement Community	370,000 SF
	Asheville, NC	4 Story
	Proscenium Parking Deck	320,000 SF
Atlanta, GA	10 Story	
CDC Building 20 Project	\$ 110M	
Atlanta, GA	5 Story	
High Museum of Art Expansion	\$ 85M	
Atlanta, GA	4 Story	
UNC Biomolecular Research Building	\$ 45M	
Chapel Hill, NC	9 Story	
Marietta High School	\$ 33M	
Marietta, GA	2 Story	
UGA Performing & Visual Arts Center	\$ 30M	
Athens, GA	4 Story	
Georgia State University Classroom Building	\$ 22M	
Atlanta, GA	5 Story	
UGA Computational Chemistry Annex	\$ 4M	
Athens, GA	3 Story	

Registration: Georgia and other states.

Memberships: Structural Engineers Association of GA (Past President)
American Consulting Engineers Council
Georgia Tech College of Architecture (Adjunct Faculty)
Georgia School of Civil & Environmental Engineering (Advisory Board Member)
